

Show Special!!

A few key 'need to knows'!!!

Montage

Anybody in the tap or jazz elements of our Lord of the Rings montage will need to source these items for their costume;

Trousers —cropped length (or croppable!)

Sweater vest / sleeveless jumper

(Cream blouses have been made)

Style —country colours / tweed

Charity shops have so far proven a winner!

Sunday Run Throughs

Both run throughs will feature Montage rehearsals—everyone involved needs to be there, and in costume!!

Sunday 23rd April

The timings are posted in the studio as this one will not be in show order. Please make sure you take note of when you will be needed and arrive in time to get ready, into costume and warm up.

This rehearsal will be at the studio, but we may not get to use the old First Dance studio this year, so the timings are such that hopefully you can come, perform your numbers and go without too much waiting around. Parking space will also be limited!!!

Sunday 7th May

This will be in show order and will include a finale walk down bow rehearsal.

This rehearsal will be at **Goldsworth Primary School** starting at 10am. Timings will be posted at the studio shortly—please watch out for them.

Please make sure you bring everything you need with you—including food and drink!

Transport Appeal!

We have costumes, equipment and props to transport to and from both Goldsworth Primary School (7th May) and the Theatre (Sundays 14th & 21st May).

If anyone has a large car or access to a van that can assist—please get in touch!!
